Subject index

Accounting, financial management teaching, 22
Apple Macintosh, 135
Applicative query languages, 2
Automation, teaching account, 22
Bath University, accounting teaching, 22
Book Reviews:
    Computer Applications, 45, 81, 123, 174
    Computer Systems Organization, 30, 115, 168
    Computing Methodologies, 41, 78, 121, 173
    Computing Milieux, 83, 124, 175
    Data, 37, 172
    General Literature, 30, 167
    Hardware, 73, 114
    Information Systems, 40, 78, 121
    Mathematics of Computing, 39, 77, 120
    Software, 31, 73, 116
    Theory of Computation, 38, 77, 120
Bristol University, computing service, 65
C, program readability, 104
C++, program readability, 104
Calculus, transform, 2
Campus:
    electronic, 154
    strategies, integrated, 141, 159
Compiling, dictionary, French-English, 61
Conferencing, computer, 13
Database:
    lexical, 61
    management, SPSS, 61
Dictionary, compiling, 61
Differential, equation solution plotting, 98
Directory, service pilot project, 26
Distance learning, USA, 68
Electronic, campus, 154
Equation, differential plotting
Financial management, teaching, 22
Geographical, information systems, 84
Graphics, GKS, 135
History, programming languages, 130
Information:
    committee, 192
    systems, 84
Institutional, computing, 161
Integrated, campus strategies, 159
IUCC:
    annual report, 1989/90, 176
    executive officer appointment, 29
IUIC, report, 185
IUNC, report, 184
IUSC, workshop report, 84
Languages:
    computer, 130
    dictionary, compiling, 61
    programming, 130
    query, 2
Learning, computer conferencing, 13
Liaison, with other bodies, 186
Macintosh, Apple, 135
Management:
    conference report IUCC, 177
    financial, teaching, 22
    system, SPSS, 52
National Technological University, distance teaching, 68
NDIPS, inductive program synthesis system, 92
News:
    Computer Board, 47, 159, 195
    Computer Service, 48, 87, 126, 195
    IUIC, 194
    IUSC, 88
    NCUF, 85, 127
    SERC, 48
Plotting, differential equations, 98
Programming:
    languages, 126, 130
    miniature system, 18
    PL/T system, 18
    readability, 104
Query, languages, 2
Readability, program, *C*, 104
Service, Computing, use of, 65
Solutions, differential equation plotting, 98
SPSS, database management system, 52
Staff, training group, 185
Strategies:
    academic computing facilities, 161
    integrated campus, 141, 159
Synthesis, inductive program system, 92
Systems:
    inductive program synthesis, 92
    information, geographical, 84
Teaching:
    accounting financial management, 22
    initiative, 110
    satellite use, 68
    software concepts, 18
    telecommunications in, 68
Technique, plotting differential equations, 98
Telecommunications, and computers, 68
Training, staff group, 185
Wales, Polytechnic, computer conferencing, 13
Workstations, multiple, 135
